

Snowdrift Farms

Friends of the Farm Discount Program

Sign up by June 1st to receive \$15 more vegetables

About the Friends of the Farm

How does this program work?

Simply fill out the form below, and submit your registration and payment by June 1st. Shop at our booth during any of the farmers markets we attend and your purchases are deducted from the credit established with your early payment. You can spend as much or as little as you like each week.

How much does it cost?

A discount voucher costs \$100. For every voucher purchased you receive an additional \$15 shopping credit, for a total of \$115 to shop with us at farmers markets.

How many vouchers should I buy?

We attend 2 markets weekly during the 14 week market season. On average, customers buy about \$10-15 worth of produce per market (more in late season). You may buy as many vouchers as you think you'll need. Our shares are good through the 2016 season, but can't be rolled over to 2017. If you have extra credit towards the end of the season, share with a friend or stock up on winter storage crops.

Why join our Friends of the Farm Discount Program?

- ◆ Our discount vouchers are affordable and save you money on our organic, locally grown produce.
- ◆ You can shop for what you want, when you want it by going to either of the 2 farmers markets we attend.
- ◆ You become involved with our farm by developing a personal connection and commitment with us. You'll support a local farm and enjoy the highest quality produce.
- ◆ Your pre-season purchase helps our farm with financial support at a time when our expenses are highest and income is lowest.

Please read more about our farm, what vegetable selection you can expect and more on our website. If you have any questions about our voucher program, please send us an email or give us a call.
